

The Payroll Savings Plan enables you to purchase Fund shares automatically on a regular basis (minimum of \$50.00 per transaction). Depending upon your employer's direct deposit program, you may have part or all of your paycheck invested in your existing Sentinel account electronically through the Automated Clearing House system each pay period. To begin you'll need to file this Authorization with Sentinel Service at the above address. Please note that you may change amounts or cancel the plan only by written notification to your employer.
